THIRD REQUEST FOR CORRECTED FILING RECEIPT

Sir:

This request is filed in supplementation to applicant's earlier filed Request for Correction of PCT Serial Number on Filing Receipt and also the Second Request For Corrected Filing Receipt, as still another error has been identified on the filing receipt. The three errors in the filing receipt are:

1. an error in the **PCT Serial Number** of the application;
2. an error in the listed **inventor's names**; and
3. an error in the **filing date**.

**1. Error in PCT Serial Number**

As applicant noted earlier, the filing receipt for the above application bears an incorrect PCT serial number. The correct PCT serial number is **PCT/EPO1/04035 (not 01035)**.

**2. Error in inventor name listing**

As applicant noted earlier, the filing receipt also fails to list the fifth inventor, **ANDREAS KEILHOLZ** of Hammersbach, Germany.

**3. Error in Filing Date**

Applicants have now noted that the filing date of this U.S. national stage application is listed on the receipt as March 25, 2002, the day of receipt of the inventors' declaration in response to a Notice of Missing Requirements (Form PCT/DO/EO/905). In fact, however, the proper 102(e) date for this application is **March 15, 2002**, the date on which the declaration was mailed, with a certificate of mailing, to the U.S. Patent Office, not the date of receipt. A copy of the response with the certificate of mailing is enclosed.

Correction of the filing receipt to reflect these three things is respectfully requested.

Should any questions arise, please telephone the undersigned attorney for applicant at 212-682-9640.

Respectfully submitted,
